

BOARD GAME “THE BALD BOY AND THE SQUIRREL”

RULES

- All players roll the dice. Highest roller goes first.
- Yellow arrows will help the players to reach the finish line more quickly.
- Players standing on the square 14, have to go back through the ladders to the square 4.
- Unfortunately square 35 is unlucky too – emerald girdle will return players to the square 30.
- Players standing on the red squares, have to skip one turn.
- Blue squares will give players the right to roll the dice two times in a row.

Print and laminate the game in order to preserve it. Find a dice and some small pieces to play the game!
